Nominate Kevin Coyne for General Secretary:
Membership no. 30633744,
Merseyside Community Branch
Address: 4 Post Office Row,
Tunstall, Lancashire LA6 2QN.
Workplace: Unite, Parkgates, Bury
New Road,
Manchester M25 0JW

I started my working life in Construction in ground works, tunnel construction and general building. I believe we need a strong and vibrant Construction Industry, and a strong, *united* union which would protect our members in the workplace.

As General Secretary I would work with our National Officers, Industrial Sector Committees and workplace representatives because they are the life blood of the Construction Industry. I believe that securing better terms and conditions within the framework of the National Agreement would be beneficial for all workers. For too long Construction workers have been treated as second class workers.

I will ensure that our membership are represented by dedicated industry specific full-time Officers, drawn from the industry, who represent our loyal and dedicated Trade Union membership.

Unite must be the flagship Union for all Construction workers!

You get more change with a Coyne!
